

LA LECHE LEAGUE OF MONTANA is proud to offer

BREASTFEEDING BEYOND NUMBERS

Presented by Dr. Jack Newman, MD

Dr. Newman is the co-founder of the Newman Breastfeeding Clinic and Institute in Toronto. Dr. Newman's many publications have been invaluable tools for mothers as well as health care professionals all over the world. They include The Ultimate Breastfeeding Book of Answers and numerous articles and videos available on his website at www.breastfeedinginc.ca. He has had many accomplishments as an international speaker including being a consultant for UNICEF for the Baby Friendly Hospital Initiative.

June 7th, 2012 at Jorgensons Inn; 1714 11th Avenue Helena MT; 406-442-1770

0815 – 0830	Welcome and Introduction
0830 - 1130	Norms for the Breastfeeding Baby <ul style="list-style-type: none">• The folly of depending on numbers. Why we need to move away from imposing numbers on breastfeeding.• Norms for the first few days including looking at hypoglycemia and jaundice.• Norms after the first few days.
1130 - 1230	Soup, Salad and Sandwich Buffet Lunch
1230 - 1400	Late Onset Decreased Milk Supply
1400 - 1530	When Breastfeeding is not Contraindicated <ul style="list-style-type: none">• Discussion of drugs and breastfeeding• Infant and maternal illnesses and breastfeeding• Breastfeeding and Adult Health
1530 - 1545	Afternoon Break
1545 - 1700	Breastfeeding a toddler, why on earth? <ul style="list-style-type: none">• Issues such as introduction of solids, sleep and the baby who won't eat.

Learning Objectives

At the end of the conference, the participant will be able to discuss:

1. How do we look at more than just the numbers when assessing feeding in the first few days and beyond?
2. Issues of hypoglycemia and jaundice in relation to breastfeeding.
3. Factors that affect Late Onset Low Milk Supply and what are ways to prevent and manage.
4. Drugs and Illnesses when breastfeeding. Breastfeeding as it relates to adult health.
5. What are the benefits of extended breastfeeding? How do we address issues with nursing a toddler?

Continuing Nursing Education Credits

7.5 contact hours will be provided by St. Peter's Hospital (MNA-04-SPH-14), an approved provider of continuing nursing education by the Montana Nurses Association, an accredited approver by the American Nurses Credentialing Centers Commission on Accreditation. This activity has not received commercial support from any source. The Speaker for this activity has declared no conflict of interest with regard to this presentation. Application for CERP's has been submitted to the International Board of Lactation Consultant Examiners.
